

Join Foss Waterway Seaport and Metro Parks Tacoma for an aquatic nighttime adventure!

Pier Peer in Tacoma

Observe hundreds of mysterious and even alien-looking creatures drawn to underwater lights placed off our docks.

Pier Peer in Tacoma

See and touch creatures brought up from the deep by local divers. Participate in a plankton tow. After this exciting outdoor adventure, we'll go inside to warm up, drink hot cocoa and talk about what we saw.

Please dress for the weather: The docks can be wet. Please bring your own flashlights; we will provide life jackets as well as scoops to catch sea creatures. All participants must wear life jackets! We encourage you to bring your own life jacket if you own one.

COST

\$8 per person. Each child, 8 years of age or older, requires one adult companion.

ONLINE REGISTRATION

www.metroparkstacoma.org/pier-peer
40 person maximum per program.
